Professional Summary

Motivated Engineering student with strong interest in Data Structures, Algorithms, and Software Development. Experienced in solving algorithmic problems and building projects. Seeking opportunities to apply programming skills and problem-solving abilities in software development or backend engineering roles.

Education

B.Tech in Electronics and Telecommunication 2024 – 2028
Sardar Patel Institute of Technology
Mumbai University
CGPA: 8.92 / 10

Skills

- **Programming Languages: C ,** C++, JavaScript, Python
- **Tools & Technologies:** Git, GitHub, VS Code
- **Databases:** MongoDB, PostgreSQL, SQL
- **Frameworks/Libraries:** React, Node.js, Express.js
- **Other Skills:** Competitive Programming, Data Structures and Algorithms, Object Oriented Programming

Experience

ESDS Software Solution Ltd

Software Development Intern | June 2026 – July 2026

- Developed a small employee management module using Next.js, TypeScript, and MongoDB.
- Designed database schemas using Mongoose.
- Implemented authentication and role-based access control.
- Built REST APIs and integrated frontend components.

Projects

Investor–Startup Matching Platform Live Demo

- Developed a platform that connects startup founders with investors by analyzing profile data such as industry, funding stage, and investment preferences.
- Implemented a machine learning based matching system that generates a **match percentage score** to recommend the most suitable investors for startup founders.
- Built scalable **RESTful backend APIs** using Node.js, Express.js, and TypeScript with PostgreSQL and Prisma ORM for efficient data management.
- Integrated WebSockets to enable real-time communication between founders and investors.
- **Tech Stack:**
  - **Backend:** Node.js, Express.js
  - **Language:** TypeScript
  - **Database:** PostgreSQL
  - **ORM:** Prisma
  - **Real-time Communication:** WebSockets
  - **Machine Learning:** Profile Matching Model

Achievements

- Secured Second Runner Up position in VEGA Hackathon

Positions of Responsibility

- **Teach-Head** at Students Developers Club
